

## Exhibition Prospectus 2023

The Scottish Intensive Care Society is a charity registered in Scotland with the purpose of improving Critical Care across Scotland. The society acts as the voice of the Critical Care multi-disciplinary team, and our meetings provide a unique opportunity to connect with each other.

We are delighted to be returning to a face-to-face meeting for **SICS23**. Our Annual Scientific Meeting is being held in the **Fairmont Hotel, St Andrews** on **Thursday 2<sup>nd</sup> and Friday 3<sup>rd</sup> March 2023**. We would welcome the opportunity to host you as an exhibitor at the meeting and recognise the immense support your companies provide to the critical care teams within Scotland.

Our programme offers delegates a fantastic line up of speakers covering clinical and research updates, moral and ethical dilemmas, 'hands on' practical sessions and a trainee specific parallel programme. After a challenging few years we are perhaps more importantly offering the opportunity to reconnect with each other. We will be hosting the social event of the Scottish critical care year with a magnificent dinner and ceilidh, and for those fitness enthusiasts we have a new addition – the 'SICS 6k at 0630' on Friday 3<sup>rd</sup> March – what more could you want?!

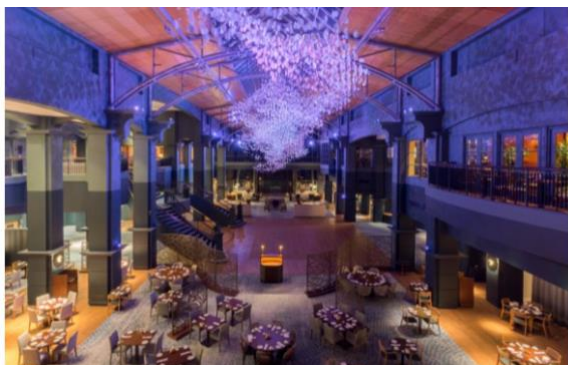

### Our delegates will include...

- Critical care consultants
- All grades of medical trainees
- Physiotherapists
- Speech and language therapists
- Medical students
- Critical care nurses
- Acute Critical Care Practitioners
- Pharmacists
- Occupational therapists

### The venue and conference facilities

We have a well-established relationship with the Fairmont hotel in St Andrews making it an easy decision to return to this stunning venue. The hotel has excellent conference facilities, a spa and is within easy walking distance of the East Sands, the Old Course and the beautiful town itself.

Our trade exhibitors are very important to us. We will ensure you are able to maximally interact with our delegates before, during and after the meeting. Our morning and afternoon refreshments will be dispersed through the exhibition area and access to the main auditorium will also be routed past the trade exhibitors. In addition, this year we are offering the opportunity to have a virtual trade exhibition on our event page on the Oxford Abstract platform. This is the platform where delegates register, access the programme and can interact with each other and with trade.

## What can we offer our trade exhibitors?

Our trade exhibition rate of £1500 includes the following:

- A 2-day exhibition package includes lunch and refreshments for two trade representatives
- An exhibition area complete with a 6ft trestle table and seating. Please advise if power is required.
- An ability to set up the day before.
- An online trade exhibition on the Oxford Abstracts events platform giving you the opportunity to set up your own virtual stand and interact with delegates prior to and during the conference.
- Access to preferential accommodation rates for the duration of the conference

### Additional optional elements:

- Supplemental space: £500 - £750 depending on area required.
- Dinner and Ceilidh package: £70 per person
- Additional trade personnel: £35 per person per day.
- Demonstration Rooms – please note we do have rooms available next to the main trade exhibition. Prices vary, please contact us for details.
- Accommodation can be booked direct with the Fairmont hotel
  - Email: [standrews.scotland@fairmont.com](mailto:standrews.scotland@fairmont.com)
  - Tel: 01334 837000
  - Quote SIC523 to access preferential rates of £150 (single) £170 (double/shared) per night inclusive of breakfast.

### Online Only Option...

We do appreciate that although meeting delegates face to face is ideal, this is not always possible. For those companies unable to attend in person we can give you the opportunity to have an online presence on our events platform. To discuss this option please contact [sicsevents@gmail.com](mailto:sicsevents@gmail.com) for more details.

## Next steps...

**We really hope you will join us at SICS23, however spaces are limited, so don't delay....book now!**

To book your trade stand or for additional information please quote SICS23 and contact:

- Dr Jill Selfridge, ICU Consultant, University Hospital Crosshouse
  - Email: [jill.selfridge@aapct.scot.nhs.uk](mailto:jill.selfridge@aapct.scot.nhs.uk) or via
  - the sicsevents email: [sicsevents@gmail.com](mailto:sicsevents@gmail.com)

Please tell us:

- Company name
- Names and email addresses of trade representatives
- Any dietary requirements
- Any specific stand requirements including a request for additional space / power
- Names / address of finance team so we can create an invoice.

Any additional queries: [sicsevents@gmail.com](mailto:sicsevents@gmail.com)
